

Directions to Cards from Africa

It takes approximately 10 minutes by car from the Remera Giporoso crossroads to CfA, and about 12 minutes from the airport.

After turning at the Giporoso junction, go along the surfaced road for about ten minutes. Keep on this road, bearing right all the time, and going downhill after about 5-7 minutes of driving. Pass through the small community of Samuduha at the bottom of the hill, and CfA is opposite Minagri Seed Service (where the 2nd sign is) about 500metres after the small shops.
